

# Our Purpose and Vision

## OUR PURPOSE

*To provide outstanding integrated specialist education, therapy and care for pupils with speech, language, communication and other associated complex needs.*

## OUR VISION

*Nationally recognised for our exceptional provision and expertise, we are a centre of excellence enabling pupils to realise their full potential towards independence in life.*

### Pupil Outcomes

*Pupils leave St Mary's:*

- *As confident and effective communicators*
- *With ambitious academic accreditations*
- *As independent learners empowered with social and life skills*

*We provide all pupils with the skills and aspirations for further education and/or employment.*

### Provision

*The School and College provide:*

- *A safe, happy and inspirational learning environment*
- *Staff expertise to match our pupils' individual needs*
- *Holistic and integrated education, therapy, health and care in a total communication environment*
- *Outstanding facilities, resources and opportunities.*

### Stakeholders

*We have established effective links with all stakeholders by:*

- *Keeping them informed and involved*
- *Giving them complete confidence that we are an efficient organisation achieving the highest standards for our pupils.*
