

St Marys School and College receive annual PE and Sports Premium funding which supports us to improve our pupils' engagement in sport and physical activity.

Primary PE and Sport funding 2016-17

Amount received 2016-17- £4000

Amount carried forward from previous year - £5000

Total available to spend – £9000

Spend	Participation	Impact	Sustainability
£900 – access local facilities within the community – 1066 Gymnastics	12 pupils weekly for a 7 week term.	This enabled the pupils to engage within gymnastics and rebound therapy sessions. Achieving core proficiency certificates in gymnastics and Winstrade certificate for Rebound therapy. Support development of fine and gross motor skills and sensory difficulties. Impact demonstrated increased engagement and participation levels within PE lessons for KS2 and a KS4 class, developed fine and gross motor skills. Leading to purchase of school equipment to continue participation.	Links are forged with a local organisation, which then can be used to access specialist gymnastic equipment and pathways for high attaining pupils within gymnastics to attend extra-curricular clubs and activities within both mainstream and SEN settings.
£5,327.96 – Trampoline and accessories	Whole school and college	This enabled pupils to take part in rebound therapy session as part of the extended curriculum on offer. Helping to develop movement patterns, control, exercise and enjoyment. Impact will be measured through progress data linked to P steps and individualised targets. Learning walks and observations	Consistency of sessions is now accessible within the PE curriculum for all pupils; new or advanced. Individualised programmes for pupils to meet ability and skill set and engaging the least active pupils.
£188.43 – certification	Whole School	This enabled pupils to achieve certification in gymnastics and rebound therapy within the school PE curriculum. Impact will be measured by pupil progress and achievement through the levels on offer. <i>Currently - 9 pupils have achieved grade 1 Winstrada certification and 1 pupil grade 2. Within Gymnastics 12 Pupils have achieved British Gymnastics level 8.</i>	Increased access through curriculum offer provides opportunities for pupils to develop skillset and advance through nationally recognised certification.

Primary PE and Sport funding 2017-18

Carried over - £2583.81

Anticipated - £7000

Total available to spend - £9583.81

It is anticipated that we will receive double the amount of funding per pupil than previous years taking our predicted funding to £7000 for this academic year. With this in mind and the amount remaining from previous funding, we aim to improve both our internal and external provision of physical activities and resources, working collaboratively across departments in particular Physiotherapy to install new gym and sports equipment for pupils to access in during the curriculum aswell therapy and residential times. Promoting the importance of a healthy lifestyle, independence, well-being and positive self- esteem.

Spend	Participation	Impact	Sustainability
£9583.81 – Outdoor gym installation	Whole school and college	<p>This will provide an outdoor space for pupils to access physical activity both during and outside of the school day. It is used widely during PE, at break times, after school, and is also utilised by teaching staff and therapist alike alongside for direct 1:1 physiotherapy work. It is also available for staff to use outside of the curriculum to support their health and wellbeing.</p> <p><i>Impact will be measured through progress data linked to P steps and individualised targets and programmes.</i></p> <p><i>Engaging with parents and training parents to use equipment and transfer skills to community based gyms.</i></p>	<p>Equipment will be a permanent residence within the school grounds, accessible to all pupils and staff during the curriculum to develop and promote independence, healthy and active lifestyle, positive self-image and wellbeing. Individualised programmes can be set to improve fitness and reach therapy goals.</p>
