

## St Mary's Parent Ambassadors

We have **4 parent ambassadors** here at St Mary's, they all have children at the school and have gone through the process of getting a place at St Mary's.

If you would like to talk to them about their experiences, about the school or just have a general chat with them about the admission process then please contact Wendy Maylam on 01424 730740 or E-mail [wmaylam2@stmarysbexhill.org](mailto:wmaylam2@stmarysbexhill.org) who will arrange for one of the ambassadors to contact you.

Please note the Parents are just advising from their personal experiences and any assistance or advice is general and is not specific as all children have individual needs.

Their help is not the same as speaking to a trained legal expert and its only advice based on their experiences.
