## Message from Natalie Edwards

Dear Parents/Carers

We have had a wonderful first week back following the holiday. All pupils quickly settled back into their learning routines. We are really excited to announce that due to the increase in pupil numbers we will now have two KS2 classes and a new teacher will be joining the school soon.

Therapists have been reviewing all therapy goals and these will be emailed out to parents next week together with the new goals that have been set.

Natalie Edwards

## Attendance Data

Pupil attendance for this week is 88.6%.

**Swimming Pool**

A pool inspection has been carried out following the fitting of new boilers and the gas supply is due to be connected soon.

To avoid any damage to the pool surround, we will need to heat the water slowly. Therefore, we are hoping that the pool will reopen on Monday 9th March.

I know this is disappointing for our pupils but they will continue next week with circuit training in the gym instead of the swimming lessons.

**World Book Day - Thursday 5th March**

Just a reminder that the pupils can come into school on Thursday 5th March dressed as their favourite book character. Please ensure your child is wearing sensible footwear for outdoor learning.

## **Sport Relief - Friday 13th March**

During the week beginning 9th March pupils will be participating in sporting activities organised by the school council in support of Sport Relief. On Friday 13th March pupils are invited for a minimum of £1 donation to come into school in their sports outfits/mufti.

### **School Photographs**

The photographs of the pupils have arrived and an order form is in your child's blue wallet today. There is the option of ordering with Tempest direct online or alternatively you can return the order form with payment to the school by Monday 9th March 2020 latest.

## **Parents Consultation Evening**

Parents Consultation Evening is on Wednesday 25th March 2020 from 4.00-7.00pm. Admin have emailed the information and appointment form to you this week. Please complete and return by Monday 2nd March whether you are able to attend or not. Appointments will be sent out to you in due course.

### **BTEC Land Studies**

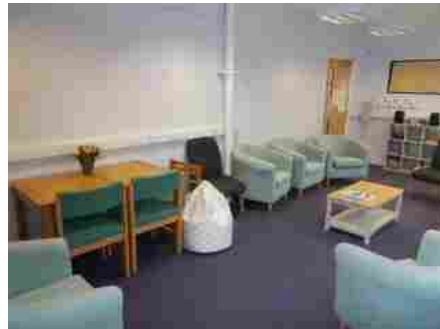

The BTEC Land Studies group have been visiting the farm where they are greeted by Farmer Brian and Farmer Jake.

Recently they had some exciting news. One of the pigs they visit has had piglets! The students were very happy and excited to see the piglets and told us all about them.

## College Common Room

The College Common Room has had a recent make over with thanks to money raised by Sophie's brother who ran the London Marathon last year. The furniture and decor was all chosen by the college pupils. We are awaiting delivery of the artwork for the walls.
